DISCOVER

Discover the new blood on the scene and the new varieties emerging from the Beechworth Wine Region. Discover Nebbiolo, Riesling, Cabernet, Merlot, Tempranillo, Sangiovese AND the Pinot!

The Hidden Wineries offer an unmatched behind the scenes experience. Of the 30+ wineries in Beechworth, only four have permanent cellar doors.

OUR WINERIES

Baarmutha boasts an underground cellar in buried shipping containers. Stay onsite at Indigo or Serengale for an immersive experience. Keep a look out for Star Lane's decadent long lunches. The tiniest wineries are Bowman's Run and Haldon Estate set in stunning locations. Glenbosch boasts an awesome vista to enjoy wine and a meal. Weathercraft are focused on Shiraz and Chardonnay, and introducing Spanish varieties. Eldorado Road boasts a town centre cellar door – the perfect way to end your day of wine touring.

The beauty of the Hidden Winery trail is that you can set your own pace. Visit three or four over a day or give it your 100% attention and visit all nine wineries in a weekend. Get off the beaten track to find the really hidden wineries.

HOW IT WORKS

On the second Saturday and Sunday of the months September through June, this select group of wineries throw open their cellars (sheds, barrel halls, gardens and vineyards) for you to visit between 11.00am and 4.00pm.

For a personalised tour, barrel tasting or a tasting plate of local produce, message our Facebook group or contact any winery directly (Email, Phone, Facebook).

There are cosy fires in winter and exceptional views in summer. Haldon Estate, Baarmutha and Indigo Vineyard have picnic facilities where you can enjoy the grounds. Serengale Vineyard's cellar door is set within their winery and Bowman's Run and Star Lane lie in the sleepy hamlet of Wooragee.

Feeling hungry? Indigo Vineyard and Eldorado Road do cheese and charcuterie platters. Glenbosch Wine Estate (opening January 2020) has a great restaurant. Keep an eye on our Facebook group for upcoming long lunches and other events offered by the Hidden Wineries. There are plenty of awesome food options in Beechworth, just see www.explorebeechworth.com.

The total duration is approximately 5 hours to visit all the listed wineries and attractions (but might take longer if you really like your wines).

Check our Facebook group 'BeechworthHiddenWineries' for the particular month's featured winery (such as Sorrenberg, Domenica and The Ninth Mile).
